Watercraft Operation Reminders & Increased Water Patrol

In response to concerns raised by residents, water patrol presence will continue to be strong in St. Alban's Bay during the summer of 2018. The increased patrol has and will continue to deter unsafe and inconsiderate activity in the bay. Residents should call 911 to report both dangerous and non-emergency concerns. For example, a driver towing people close to docks or other watercraft is a dangerous activity that should be reported immediately. Loud music from an anchored boat is an example of a concern that could be reported. If possible, please include the boat description and license number when calling 911. Here are a few rule reminders:

- **WATERSKIING, TUBING, WAKE SURFING** hours are sunrise to 1/2 hour after sunset. Boats and jet skis towing people are required to have an observer 12yrs or older in addition to the driver.
- **JET SKI** hours are 9:30am to 1 hour before sunset. Operation of a jet ski for more than 30 minutes in one area is prohibited.
- **A MINIMUM WAKE** is required for boats and jet skis within 150ft of shore, swimmers, docks, or another boat / jet ski. Exception: normal speed is allowed perpendicular from the shore from which a boat or jet ski is operating.
